Match Secretary P Willis

12 Shakespeare Street, Newark, Notts NG24 3AN

Members of NDPF must reside within an 8 mile radius of Newark and are entitled to participate in the running of the Federation as per constitution.

Associate Members may fish waters controlled by the NDPF as designated by the committee but may not attend the Annual General Meeting of the Federation, hold any office or take part in the administration of the Federation.

They may enter contests organised for members of the Federation. Details of matches—P Hall 01636 680192

Anglers must not fish in pegs reserved for a pre-booked match notices for which are displayed on the bank and published on The Federation website.

Note: We expect sensible behaviour and respect for other river and bank users.

Notices (including temporary ones) and bailiffs instructions must be followed without argument.

It is particularly important:

- (1) Gates are kept closed and locked
- (2) That there is no obstruction whatsoever of the footpath or bridleway either by any part of a vehicle or fishing tackle
- (3) **NO** litter—**NO** fires
- (4) **NO** fish to be taken away

A. Sheldons - Nottingham Road, Newark, through Farndon to East Stoke. Turn right through locked gate about 200 metres on right. **Please close and lock gate**

B. East Stoke - Nottingham Road, Newark. Car park just before East Stoke village, 57 pegs. Combination lock.

C. Power Station down to Fletchers - Top end, follow Long Lane, Farndon down to end turn right pegs 1 - 36 park behind your peg do not obstruct footpath in any way. Stone Fields and Fletchers follow on. Bottom end pegs down to peg 70 are accessible by turning right at roundabout at long lane Farndon and follow road down to carpark. Peg 35 and 70 have disabled platforms,

D. Crow trees - Access off Mill Gate in Newark, over bridge and park on left, over the long stone bridge and straight on for 24 pegs

E. Weir and Capps Field - Same access as above, but turn right over Long stone bridge, no pegs, about 800 metres of fishing.

F. Red Bridge - Access off Mather road near Waitrose in Newark, park near marina and walk down the side. Access also from opposite side, paid parking near Aldi, walk over footbridge.

G. Crankley and Winthorpe - Turn right opposite Lord Nelson Winthorpe, turn left through the gate immediately on the left after the crossing, Winthorpe section is first from peg 75 up to bridge, Crankley is from the A1 bridge up to the sewage farm and peg 1. Parking is behind most pegs but please keep to roadways. Access through the first gate is via a combination lock and Crankley is through a locked gate at the bridge.

H. Rolleston - Access through power station through the gate (combination lock) down to car park, walk upstream to peg 40. Access also down Swallow lane at Rolleston, long rough road through 2 locked gates with combination locks.

River Witham - Doddington off A1 to Doddington village right bank before bridge for about 1 mile, can be driven in good conditions. Combination access. Over bridge left bank for about 400 metres, park at bridge.

Tidal Trent, Girton (Joint with Pisces Angling) A1133 through Collingham to Girton, past Girton towards Gainsborough take next left down Trent lane to river. Fishing from fence on left downstream for 600 metres.

Bennington River Witham (Joint with Pisces Angling)- A1 south bound entry into Bennington, Church Street, NG253EN. Please park sensibly.
