

Volunteering Opportunity

The Big River Trent Litter Pick

WHAT?

As part of the Anglers Against Litter Campaign, sponsored by Shimano, The Angling Trust have partnered with multiple organisations and will be carrying out a litter pick on the River Trent.

Unfortunately, our Rivers act like conveyor belts, often carrying litter and plastics from upstream and out to sea. We aim to prevent this from happening and start to remove as much litter as possible on the day of the event from the Tidal Trent. We will provide all litter picking equipment. Including, pickers, Hi-Viz Anglers Against Litter vests and gloves. Some refreshments will be provided on the day, and we encourage anybody to get involved.

WHERE?

River Trent – Girton, Newark, Nottinghamshire

Parking: ///What3Words: Text.Getts.Irritate

Lots of parking to accommodate all volunteers. Kindly offered by Scunthorpe Amalgamated Angling Club

WHEN?
